NOTICE to PARENTS: Scientific research proves the study of chess enhances academic performance, increases overall brain functions, and builds positive behavior. In order for students to realize the enormous benefits of chess, daily study is required. The research shows that a minimum of 20 minutes of daily study yields significant academic and behavioral benefits. Inland Chess Academy offers two optional child-safe websites programs: Chess Magnet School and ChessKid, at discounted prices. Also available are home study workbooks. Please support chess study at home.

The Inland Chess Academy's curriculum is built on research proven methods developed by chess masters and educators, and recommended by the United States Chess Federation (USCF).

Beginner - Beginners learn and demonstrate the basics of chess play, chess rules, and etiquette.

Intermediate - Students learn algebraic notation, playing with a clock, an understanding of strategies for opening a chess game, major tactical techniques, and basic endgame theory.

Advanced - Students develop advanced competitive strategies including an opening repertoire, positional strategies, tactical combinations, endgame play, and methods of applying sport psychology to their games.

All students gain knowledge of chess history, chess news, and grow their appreciation of chess. Students are encouraged to play in regional and state tournaments for individual and team awards. *Tournament schedule: www.InlandChess.org*

The Inland Chess Academy is building a vibrant chess community:

- ~ Regional tournaments for students and parents, twice monthly on Saturdays.
- ~ Camps on holidays, spring break, and during summer.
- ~ Tutoring and special interest study groups.

"Chess is the only activity for our youth where they are expected to sit quietly and think long thoughts." JJ Dill II
